### Surf Life Saving Association of Wales – Appendix 18 Consent to \*Annual Check of DBS Status

*Members will be registered with the update service on the DBS website within 19 days of receiving their certificate and informed of this via email from the LSO.*

I \_\_\_\_\_ (name of applicant) give permission for SLSA Wales club Safeguarding Officer (SO) and SLSA Wales Lead Safeguarding Officer (LSO) to check my DBS for any change in status every 12 month's from the date of issue of the DBS certificate. \*

If the certificate remains clear, I will not need to apply for a further DBS at that time. Where there is a change to my DBS status, SLSA Wales SO and LSO will advise that a new DBS application is made in order for me to continue in my role defined as 'regulated activity'.

**It is my responsibility** to let my club SO know when I am no longer part of Surf Life Saving Association of Wales, my club or volunteering in regulated activity in my club or the organisation to avoid SLSA Wales accessing Update Service records to complete an annual DBS status check where there is no case to do so.

If I return to the organisation, club or regulated activity after leaving I will be asked to complete a new DBS check as my previous certificate will be void.

**DBS certificate number:** \_\_\_\_\_

*To be completed by Lead Safeguarding Officer*
